Major Competitions

The entry list for major competitions will be online entry with effect from 2017 and it will open on a Thursday evening at 7.30pm just over 3 weeks prior to the event. Members must only enter their own name into the competition. Members will be required to enter via the member's private area of the web site under the competitions tab. A preferred time zone should be selected. A reserve list will form if the competition entry is full. The computer in the score card return room in the club will be available for online entry if required. The draw for all major competitions will be an open draw within each time zone completed by our software with the exception of the Club Championship qualifying, which will be a seeded draw. The draw will be done on a Wednesday evening 10 days prior to the competition.

Withdrawals from Major Competitions

Members wishing to withdraw from a competition prior to a draw being made must do this online themselves. Members wishing to withdraw from a competition after the draw has been made must contact the professional shop prior to the day of the competition. Contact must be made with the professional shop if withdrawing on the day of the competition. **If no contact is made to withdraw, the member will be given a warning in the first instance followed by exclusion from the next two major competitions for repeat offences.**

Starting Times

Players must sign in on competition days in the professional's shop at least 10 minutes before their tee off time. The penalty for failing to start on time will be 2 strokes.
