Group Coaching with Chris starts in April

Chris will be running four coaching groups at the club from April through to June. These will cater for Ladies Beginners; Ladies Handicap; Juniors; and Ladies and Gents High Handicap/Improvers.

Ladies Beginners and Ladies Handicap Holders

There will be two separate groups with beginners from 11.00 – 12.00 and handicap golfers from 12.15 – 13.15. Coffee will be provided free of charge in the clubhouse at 12.00 for both groups.

The beginners group is open to anyone – current members and their friends, family or colleagues – who would like to take up golf, or at least give it a try; or have previously tried but never really played much. The course will introduce participants to the game whether they have hit a few golf balls before or not. The handicap group will work as a group on various coaching aspects that will enhance their game. It is open to any club member and their friends, family or colleagues who already play golf – or used to play in the past and would like to start again.

The course will run from Friday 7th April until Friday 16th June. The first week is free, then the cost will be £10 per session or £90 if you sign up for the 10 weeks in advance.

Junior Coaching

The Easter Holiday coaching course will run for the two weeks commencing Tuesday 4th and Tuesday 11th April. This will be over three days per week – Tuesday, Thursday and Friday from 10.00 - 11.00. Junior golfers will have the opportunity to learn with Chris. The cost will be £30 per week.

After the holidays, Chris will be introducing an on-course coaching group for up to 6 Juniors at a time, on a Friday afternoon from 14.00 – 15.00. Chris will take the group out onto the course and work with them in real time. This will be free for club members for a trial period between 21st April and 2nd of June.

High Handicap/Improvers

This group will run as a trial on a Wednesday day night from 18.00 to 19:30 from 3rd May to 14th June. The group is intended to provide advice and tips in a group setting, working with fellow members on areas of your game that YOU want to work on. This will include on-course coaching. The target group is those who are generally high handicap but would not normally take coaching lessons. They are however wanting to improve and would like to work in a group setting either with friends or fellow members. Both ladies and gents are welcome. There is no requirement to sign up for a complete course, and slots can be booked at any time, according to availability. The cost will be £10 per session.
