

Kingsknowe Golf Club

ESTABLISHED 1908

Tee Sponsorship Opportunity

YOUR COMPANY'S NAME CAN LEAD THE WAY

Kingsknowe Golf Club is a lively and friendly club situated in the south west of Edinburgh. Established in 1908 the club has an 18 hole golf course, originally designed by Alec Herd the 1902 Open champion, and later redesigned by James Braid. The parkland golf course is laid out over and through the valleys of gently rolling hills and has two loops of 9 from the clubhouse. The club has over 600 active members.

We are currently in the process of renewing our tee signage and this gives rise to a wonderful opportunity for businesses to sponsor a hole or holes. Brand new twin post tee signs will be positioned in the most visible location at every hole. The signs will be professionally designed and will feature the hole number and yardages for the hole, and will most importantly include your company's branding on the sponsor panel with digitally printed graphics to your specification.

Each sponsorship is being offered for an introductory three year period, and thereafter on an annual fee basis. The introductory cost will be paid in year 1 and will be £750 plus VAT. Thereafter, the rental cost per year will be £300 plus VAT per annum.
