You will be contacted about the progress of your application once we have received your completed form and fee.

Please note that your membership runs from 1st January until 31st December with the exception of the Student Academic Year membership. New memberships during the year are costed pro-rata.

As you are making a commitment for an annual membership, there can be no refunds once you have been accepted as a member. Anyone wishing to resign membership must do so in writing a minimum of one month prior to the anniversary of the date they joined otherwise they will be liable for the subsequent year's subscription as they will still be considered a member of the club for that year.

Anyone paying by Direct debit through a third-party finance scheme will be required to honour their agreement for the whole amount once signed up. Membership of the club will be withdrawn if Direct Debits are defaulted as per the club bye laws.
